◆FORT HAYS STATE UNIVERSITY◆

Founded in 1902 on the plains of western Kansas, Fort Hays State University is the second youngest of the state's six universities. An ongoing five-year series of Centennial activities will culminate in the year 2002.

From a humble but exciting beginning, when just two faculty members and a 19-course curriculum greeted 34 students, our university has grown to a faculty of nearly 300, a support staff of 250 and a student body of 5,600. The university now offers hundreds of courses in each of its four main colleges — Education, Arts and Sciences, Business, and Health and Life Sciences — and the Graduate School. The FHSU Virtual College provides many of the courses through various media to sites across Kansas and beyond.

FHSU is governed by a Board of Regents appointed by the governor of the state of Kansas.

FHSU is located in Hays, the largest city in northwest Kansas. Hays began as a wild frontier town and has grown into a progressive community of about 20,000 people. The old and new blend beautifully to form a city that is small enough to be comfortable yet large enough to provide abundant cultural, commercial and entertainment opportunities. In 1996, Hays was recognized as an All-America City.

The university sits on a campus of 4,160 acres of land that once was part of the historic Fort Hays frontier military post, and it recently expanded to include the relocated Sternberg Museum of Natural History on a site adjacent to Interstate 70 in northeast Hays. Big Creek, with its shady, grassy banks, meanders through the main campus, providing a tranquil learning atmosphere and serving as a natural laboratory for students in the biological sciences. With its stately limestone buildings and profuse flowers, trees and shrubs, our campus has often been called the prettiest in Kansas.

FHSU is academically superior to many comparable universities, offers students an electronic learning and living environment, and is richly endowed by heritage and tradition. Students come to our university for a multitude of reasons, but surveys show that their overwhelming reason is "the university's reputation for academic excellence and its caring faculty."

The university supports one of the most extensive and successful intercollegiate sports programs of any comparably sized college or university in America, boasting numerous All-America athletes and national championships. More than 350 athletes compete annually in eight men's and seven women's sports. FHSU is a member of the Rocky Mountain Athletic Conference, which comprises 14 schools from the states of Kansas, Colorado, Nebraska and New Mexico.

The university also serves as the cultural center of western Kansas, featuring fine arts exhibitions, performing arts presentations by faculty, students and traveling professional troupes, and a noted Presidential Lecture Series.

◆DR. EDWARD H. HAMMOND - PRESIDENT◆

Dr. Edward H. Hammond is the eighth President of Fort Hays State University. A man of boundless enthusiasm and energy, whose style is upbeat and progressive, Dr. Hammond was born in McAllen, Texas, but reared in the Kansas City area.

Prior to his current post, President Hammond gained educational experiences and shared his expertise at the universities of Louisville, Seton Hall, Southern Illinois, Purdue, and Missouri-Columbia. The President holds bachelor's and master's degrees from Emporia State University and the Ph.D. from the University of Missouri-Columbia.

President Hammond has been extremely active since assuming the leadership of the university in the summer of 1987. He laid the groundwork for a cooperative educational initiative between FHSU and the community colleges in Western Kansas; has watched his dream to totally computerize the campus become a reality; created an organization comprised of business and community leaders from 54 western Kansas counties and helped to establish scholarship programs for potential minority school teachers at Garden City and Liberal.

Dr. Hammond has played a major role in furthering economic development in Hays and western Kansas and introduced a voice mail system that vaulted the foreign language efforts of FHSU into an elite class. He prompted the completion of the Beach/Schmidt Performing Arts Center for the cultural development of the area and launched the expansion of Sternberg Museum to its new location on Interstate 70. He obtained federal and state funding for the university's new $12 million science building and completed a $20 million Capital Campaign to raise private monies for the enhancement of many university programs.

President Hammond has published widely and is in demand nationally as an educational consultant because of his expertise in risk management, staff and institutional liability, sexual harassment, and alcohol education issues.

The Hammond family includes wife Viv (Hammeke), formerly of Ellinwood, daughters Kelly and Julie, and son Lance.

◆TOM SPICER - DIRECTOR OF ATHLETICS◆

Tom Spicer was named director of athletics at Fort Hays State University on July 27, 1989. Spicer begins his eleventh year as director of athletics and has emphasized a return to athletic and academic excellence.

A native of Beaver, Oklahoma, Spicer attended secondary schools in Hays. He is a graduate of Hays High School and earned a bachelor of science degree from Fort Hays State University in 1972. He played varsity football for the Tigers during his collegiate days. Spicer also received his master of science degree from FHSU in 1977.

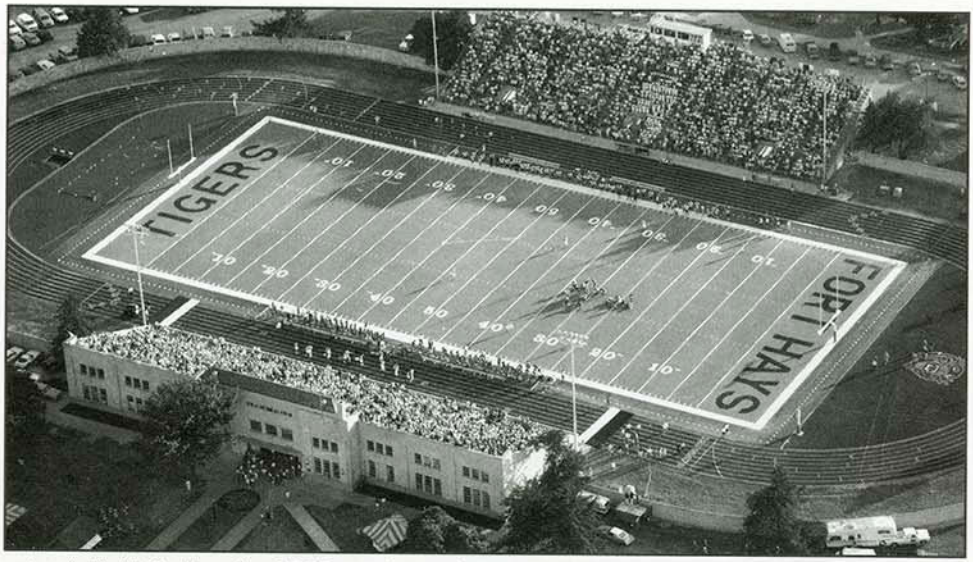

Spicer is largely responsible for the improvements that were made to Lewis Field Stadium. Through his continued efforts the 1936 stadium was renovated with new synthetic surfaces on both the football field and track. The native limestone structure was sandblasted to its original color. A new two-story press box on the west side of the stadium is a welcome addition to stadium. Spicer's fund-raising efforts have led to improved financial support of the Tiger athletic programs, allowing student athletes the opportunity to attend FHSU.

Prior to making the move back to FHSU Spicer was the director of athletics and dean of student affairs at Butler County Community College. He also has experience as director of athletics, physical education instructor, head football coach and track coach for the Durant, Oklahoma, School District.

Previous to his work in Oklahoma, he taught and coached at Salina South High School, at Bishop Miege High School in Shawnee Mission and at Schlagle High School in Kansas City, Kansas.

Spicer is married to the former Kathy McGovern of Denver, Colorado. She received a bachelor of arts degree in sociology from Fort Hays State in 1972. The Spicers have four children: Matt, Amber, Kristen and Allison.

◆LEWIS FIELD STADIUM◆

Lewis Field Stadium, the 6,362-seat home of the Tigers, received a major facelift prior to the 1993 season. The native limestone structure was refurbished to its natural state when 57 years of weathering was sandblasted away.

The grass football field and cinder track were replaced with state-of-the-art artificial surfaces.

The new football field is STADIA-Turf, an artificial playing surface. The green turf lies upon a rubber surface and beneath it is a layer of crushed rock which allows for maximum drainage. Both end zones are gold with black lettering spelling out Fort Hays in the north and Tigers in the south.

The new 8-lane rubber and polyurethane track was named the Alex Francis track, to honor the former Tiger track & field coach. The majority of the field events are conducted outside the north wall.

Prior to the start of the 1996 season the seating was replaced throughout the stadium. The new seats include 1,000 chairback seats on the west side and new bench seating in the remainder of the stadium.

Lewis Field was constructed in 1936 on what was formerly the Golden Belt Fairgrounds, and was named in honor of William Alexander Lewis, president of Fort Hays State University from 1913 to 1933.

The field is located beside a spacious tree-lined drive and is just a short walk from the campus residence halls and the downtown business district.

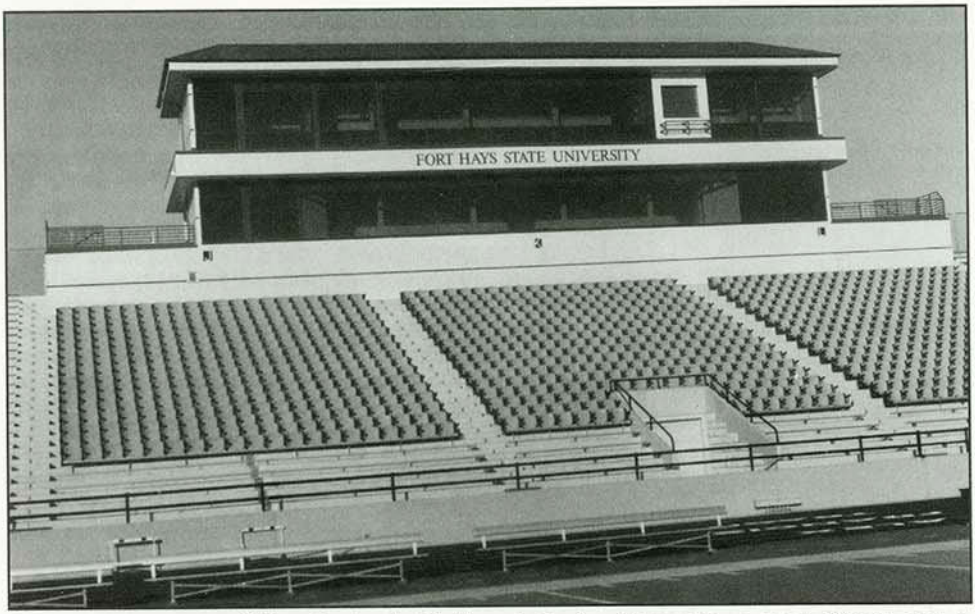

Dressing rooms, concession areas, athletic training facilities, restrooms and equipment storage rooms are located under the grandstands. An overhaul of the Tiger locker room was completed just before fall practices in 1990 with a synthetic floor, a false ceiling and new paint providing an entirely different atmosphere. A new stereo system was also installed.

Admittance to the stadium is allowed through two main gates, one on the east side and one on the west side. Four ticket windows are in service for each game.

Outside the limestone wall to the southeast are two football practice fields.

◆HUBBARD PRESS BOX◆

The most recent addition to Lewis Field Stadium is the new 2,800 square-foot Hubbard press box which sits atop the west side of the stadium. The press box is named in honor of R.D. and Joan Dale Hubbard of Palm Desert, Calif. who provided the majority of the funding.

The upper level of the two-story press box features a large area in which 20 or more electronic media personnel can report on college athletic contests. Available for reporters are radio and television booths, hook-ups, a camera deck, a filming room and a restroom. Booths are also available for both home and visiting football coaches for scouting. The second floor also houses scoreboard, public address and statistical crews.

The lower level of the facility is the hospitality area where President and Mrs. Edward H. Hammond host university guests. Inside the University Suite are tables and chairs for 40 guests, a small kitchen and a restroom.

The entire press box is heated and air conditioned and has an integrated sound system whereby users may listen to radio broadcasts, view televised games and pick up crowd noise from outside the box.

An elevator will carry university guests, media personnel and people with disabilities from ground level to their destinations. Areas designed especially for the disabled are located at the top of the stadium both north and south of the first level of the press box.

Prior to the 1999 season, the press box on the east side of the stadium was renovated creating two executive suites. The two suites may be rented by individuals or businesses for entertaining during Tiger football games.

◆FIELD STRENGTH FACILITY◆

The Earl and Winona Field Strength Facility is located in 6,814 seat Gross Memorial Coliseum. As a result of the generous contributions of the Field's the room was expanded to include new state of the art weight and workout equipment. The room is 4,600 square feet and is used by all of FHSU's 400 athletes.

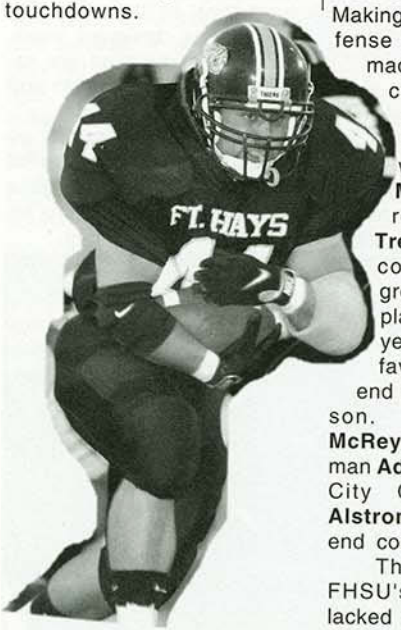

◆1999 TIGER FOOTBALL OUTLOOK◆

1998 REVIEW

The 1998 Fort Hays State University football squad got off to a 5-1 start under first-year head coach Jeff Leiker before a four game skid dropped the Tigers to 5-5. FHSU won a shootout with Adams State 41-36 in the season finale to finish the year on a winning note. Coach Leiker is looking for improvement by the Tigers in his second season directing the Black & Gold football program. The 1999 team returns a host of veterans which includes 35 letter winners.

OFFENSE

Offensively FHSU returns six players who earned starts at one time during the 1998 season. Quarterbacks **J.J. Selmon** and **Andy Garcia**, who both earned starting assignments a year ago, return for their senior seasons. Selmon started the first nine games and passed for 931 yards and 10 touchdowns. Garcia the Tiger starter in the final two games of the year threw for 775 yards and five touchdowns.

Coach Leiker must replace last season's tailback duo of Donald Gregory and Terry Blassingame who combined to rush for 2,026 yards and 19 touchdowns. Leading candidates include sophomore redshirt **Parker Wallace**, who rushed for 3,064 yards and 44 touchdowns his senior year at Salina Central High School. Junior **Mike Sanders** was impressive during spring drills after transferring from Tabor College. Starting fullback **Andy Pfannenstiel** is the Tigers top returning rusher having gained 281 yards last season. Pfannenstiel will be backed up by juniors **Clint Merritt** and **Thane Van Eaton**. Van Eaton is recovering from knee surgery which forced him to miss eight games last season.

Nick Pipkin returns as the Tigers' top receiver. A big target at 6'4" and 210 pounds, Pipkin caught 11 passes for 178 yards and two touchdowns. **Ken Lloyd**, who missed the first eight games of last season, returns for his senior year in 1999. Lloyd caught six passes for 88 yards in the final three games of 1998. Making the transition from defense is **Rich Hardin**, who made an impression on the coaching staff during spring football. Transfer **David Frisbie** along with sophomore **Michael Warthen** and redshirt freshman **Trevor Stapp** make up the core of the receiving group. **Brendon Pishny** played in all 11 games a year ago and is the early favorite to start at tight end in his sophomore season. Sophomore **Aaron McReynolds**, redshirt freshman **Adam Hrabik** and Garden City CC transfer **Amos Alstrom** round out the tight end corps.

The past few seasons FHSU's offensive line has lacked depth, a problem that seems to have been rectified this season. Three seniors who earned starts last season return in **Darin Boline(6'2",265)**, **Jeremy Portlock(6'2",275)**, and **Jeff Conley(6'1",270)**. After suffering injuries at the end of last season, starting defensive linemen **Chad Karr(6'3",292)** and **Chad Adams(6'5",280)** have been moved to the offensive line. Karr is challenging for a starting spot at tackle while Adams is battling at center. Other returnees who will seek playing time along the offensive front include: **Tyson Atteberry** (6'4",280), **Darin Holovach** (6'1",285), **Lee Weber**(6'0", 265), **Rhett Mallon**(6'3",270), **Patrick Corcoran**(6'5",262), **Justin Killian**(6'3",245) and **Chris Van Stratton**(6'8",315). Transfers **Trey Duncan**(6'3", 280) and **Elmer Tarver** (6'3",285) bring experience to the offensive line.

DEFENSE

Defensively the Tigers return a veteran player at all 11 positions. Defensive ends **Trevell Smittick** and **Courtney Jackson** return for their senior campaigns. The two combined to record 18 sacks and 30 tackles for losses in 1998. Smittick, a first team RMAC and second team West Region selection, led the conference with 12 sacks while Jackson was tied for seventh with six sacks. Senior **Justin Jenkins**, who played in all 11 games a year ago, is also slated to battle for time at defensive end. Redshirt freshman **Dustin Herrs** is also seeking time at defensive end.

James Morton(6'0",270) and **Casey Seyfert**(6'1",255) return after finishing last season as starters at the defensive tackle spots. Sophomore **Todd Slavik**(6'2",235) along with redshirt freshmen **Kyle Johnson**(6'2",255), **Jason Pietrzyk**(6'4"236), **Zach**

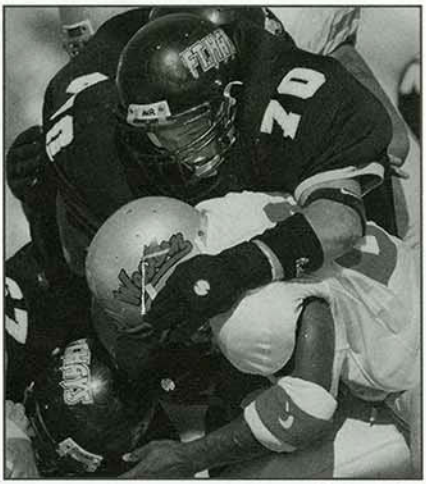

◆1999 TIGER FOOTBALL OUTLOOK◆

Steven(6'1",260) and transfer **Stephen Kency**(5'10",265) make up the defensive line group.

The linebacker corps includes veterans **Anthony Orrick**, **Landon Frank** and **Josh Simonson**. Orrick moves from middle linebacker to the outside this season. Frank was second on the squad last season with 80 tackles and is expected to retain his starting spot at middle linebacker. Simonson, an outside linebacker, returns after missing the 1998 season due to injury. Sophomore Sophomre **Adolph Brown** and redshirt freshman **Shane Ohlde** are backing up Simonson at WILL linebacker. Redshirt freshmen **E.J. Ochs** and Garden City CC transfer **Brian Baalman** are playing behind Frank in the middle. Newcomer **Nick Thompson** and junior **Patrick Jaquay** are backups at SAM linebacker.

The Tiger secondary includes five veteran players who started at one time last season. Leading the way is All-RMAC and second West Region safety **Clay Scanlon** who led FHSU with 90 tackles a year ago. **Donte' Hughes** and **Dustin Thompson** will battle for the starting spot at strong safety. Hughes was a second team all-conference performer in 1998. Both starting cornerbacks return in **Jon Harper** and **Johnny Vaughn**. Harper was an honorable mention RMAC pick last season.

Redshirt freshman **Jace Pavlovich** and Tabor College transfer **Karrie Brooks** join four junior College transfers in **Jua Jackson**, **Marc Henry**, **Chip Ross** and **Tyler Cotten** to add depth to the defensive backfield. Cotten a baseball recruit is playing football for the first time since high school.

SPECIAL TEAMS

Punter **Adam Ryan** and place-kicker **Wes Simoneau** return to lead the Tiger special teams. Ryan averaged 40.4 yards per punt a year ago establishing a new school record. He also had 16 punts downed inside the opponent's 20 yardline. Simoneau was an honorable mention RMAC selection last season when he connected on 31-of-36 extra points and 9-of-13 field goals. Vaughn, a second team RMAC return specialist, and Harper will return punts and kickoffs again this season. Sanders could also see action as a return man. Handling the long snapper duties will be **Joe Brown**. Brown was FHSU's long snapper in 1996 and 1997 before attending Kansas State last year. J.J. Selmon is slatted to handle the holding chores this year.

THE SCHEDULE

FHSU opens the season against two traditional instate rivals, at home September 4 versus Emporia State and then on the road at Washburn University September 11. Conference play gets underway on September 18 when Colorado Mines comes to Lewis Field Stadium. New to the schedule this season is Northwestern Oklahoma State University. The Tigers host the Rangers for homecoming on October 2.
